

Home Learning Tasks  
Spring Term 2016  
Which 10 will you choose?

Leven CE (VC) Primary School  
*Enriching Life Through Learning*

Subject	Theme	Task	Suggestions
Science	Electricity	Make a safety poster warning people about the dangers of electricity around the home.	Keep it simple with a clear message. You may ask questions, use symbols or create a house showing the dangers in each room. <a href="http://www.switchedonkids.org.uk/docs/teachers-resources/SwitchedOnKids_Poster.pdf">http://www.switchedonkids.org.uk/docs/teachers-resources/SwitchedOnKids_Poster.pdf</a> has some good tips!
Geography	Electrical Storms	Research electrical storms and where they occur in the world.	Create your own weather report to present to the class. Write an imaginary account about being a storm chaser. Write a newspaper report. Make a ppt. Draw a weather map or make an interactive weather map!
Art	Winter	Make a collage of a winter scene. Think carefully about the materials that you choose. You will need a mixture of colours and textures.	Try and use recycled materials. Ideas at this website: <a href="http://picklebums.com/collage-materials/">http://picklebums.com/collage-materials/</a>
RE	Easter	Retell the Easter story	Children could use film, ppt, pictures, poems, stories, etc to retell the Easter story. You could draw a story map and use actions to help you like we do in school.
Design	Food	Weigh and follow instructions –	You could bring in your bakes, take a photograph

Technology		Bake for fun. Follow a recipe and weigh the ingredients yourself.	or bring in the recipe to share.
Science	Sound	Demonstrate how sound travels.	Research, find facts or make a model/ ppt/ news report to demonstrate this.
PE	Exercise/sport	Sport and Fitness	Go on a run and describe how you feel afterwards. Share your love of a sport with the class (It needs to be something you do, not watch!) You could bring photographs or a video. Teach the class how to play a sport Demonstrate a sporting skill
PSHCE	Friendship	Make a recipe for friendship	This is linked to our Golden rule “Be kind to each other.” For example 100g of kindness, 3 cups of trust etc. Friendship soup video on You Tube may give you an idea.
, Maths	Capacity	Homework in the bath!	Collect different sized containers. Estimate how many litres or ml each will hold and measure.
English	Letter writing	Write a letter and post it. Share your hobbies and use intriguing questions. If you get a reply, come in and share it with us.	Write to a friend, a relative or someone famous. Make sure you write the address clearly and use a postcode.
Music	Playlists	Write down your ‘Top 5’ playlist and say why.	Ask your parents/carers, other adults or relatives to do the same. Compare and chat about your choices. How do the songs make you feel? Do they remind you of anything? Do the songs have specific memories for you?
British Values	The World of Work	Think about a job you might like to do when you grow	Ask your parents/carers, other adults or relatives

		up and think about why. Be prepared to present your ideas to the class.	what they wanted to be when they were younger. Did they change their mind?
Design Technology	Puppetry	Design and make your own puppet.	You can make any type of puppet you wish -a finger puppet, peg doll, 'pop up' puppet, paper cup puppet. A marionette would be very brave! You may need a little help if you decide to sew.
Just for Fun	Teach the class a new skill.	It can be anything!!	'Keepy uppy,' card trick, origami etc. Try to keep your demonstration to about 1 to 2 minutes!
