

Key Observations and Evaluations

The following table summarises the performance across the school and takes into account information from Raise online, the data pack, the inspection dashboard and FFT Aspire.

Comparisons are being made with national performance and with expected performance of the pupils based on their starting points.

A= Attainment

P= 'progress' relates to FFT aspire i.e. comparative achievement: comparing performance of the pupils in the school with performance of similar pupils nationally with similar starting points i.e. VA
