## Comments

Maybe in the future, I wouldn't need to use it at the moment, but it may be something which I would use on the odd occasion.

6/28/2015 10:27 PM

7.30am start would be preferable

6/24/2015 8:14 PM

good idea though

6/24/2015 4:04 PM

At the moment I wouldn't have any need for this service. However, I do think it is a good idea.

6/24/2015 10:46 AM

Depends on how much it would cost

6/23/2015 8:15 PM

Much needed in the village

6/23/2015 7:58 PM

My wife starts work in Beverley at 7:30 am and I start at 8:45. A breakfast club would be amazing. We take our son through to Skirlaugh at the moment.

6/23/2015 7:54 PM

Although that is only as I am currently job hunting, should I need childcare in future I would.

6/23/2015 7:48 PM

We would use it now and again especially when going to work ,we would properly start later .

6/23/2015 7:37 PM

but not regularly

6/23/2015 6:49 PM

I don't need the service at the moment but if my hours of work were to change I would definitely use it

6/23/2015 6:14 PM

It's not a straight forward yes or no answer. ie cost, breakfast provided. I feel you would need to state more information before parents can answer

6/23/2015 6:11 PM

It would depend on staffing levels and cost but It would make things much easier at times

6/23/2015 5:52 PM

Only because we already have a childminder who covers this period in the morning - otherwise yes definitely.

6/23/2015 5:49 PM

I have answered yes but would depend on the cost.

6/23/2015 5:24 PM

And also after school 3.30 to 4.30pm

6/23/2015 5:00 PM

I'm a stay at home parent so I don't need to use a breakfast club but I can see the need for other parents to do so.

6/23/2015 4:51 PM

Depending on price

6/23/2015 4:41 PM

As a working parent, this would be a godsend.

6/23/2015 4:10 PM

dependant on cost and not every day - only days I work/start work early

6/23/2015 4:00 PM

No thank you! I'm lucky enough to start work after school start time. Good idea though.

6/23/2015 3:36 PM

Fantastic idea !!!

6/23/2015 3:24 PM

Most schools now do this, as a working mum I need to leave the house before 8

6/23/2015 2:50 PM

I would also use an after school club as well.

6/23/2015 2:40 PM

I only work during school hours. But would be great for many parents.

Yes definitely. I have often thought about how useful this would be. Other schools in the area run breakfast clubs.

6/23/2015 2:14 PM

I would use it, 3-4 days a week. Even from 8.15

6/23/2015 2:13 PM

ideal for working parents

6/23/2015 2:08 PM

From time to time I would use it when I need to . Great idea for us working mums .

6/23/2015 2:05 PM

Not everyday, but depending on cost, certainly 2-3 days a week
