

### Literacy

Our Literacy this term will be based around the story 'Katie In London' where as well as learning a lot about different landmarks in the city we will also be writing a diary entry.

### Maths

In maths we will be doing lots of work and investigations about 2D and 3D shapes. We will also be looking closely at place value.

The children will also be learning how to do column subtraction with exchange.

They will be doing Big Maths on four mornings of the week.

### Science - Light

Our science topic this term is all about the subject of light. We will be doing lots of investigations and practical work.

### Art/DT

In art we will be cutting out silhouetted, famous London landmarks and putting them against painted orange to create a London skyline.

### Geography/History

Year 3 will be doing a detailed study of the London Underground and transport around London.

### PSHE

Circle time this term is all about 'Good to be Me' and 'Relationships@'

### PE

Swimming  
Indoor - Gymnastics  
Outdoor - skipping

### ICT

Year 3 will be doing coding with Mr Dolman.

### Music

Y3 will be doing drumming with Mr Walker on a Friday morning.

### RE

Stories of Jesus and the Chinese New Year.

Chinese New Year
